Disclaimer

1. Liability for content

The contents of our pages were created with great care. However, we cannot assume any liability for the accuracy, completeness and timeliness of the content. As a service provider, according to § 7 Abs.1 TMG, we are responsible for own contents on these sides according to the general laws. Our website also contains third party contributions. Insofar as individual contributions violate the rights of third parties or contain unlawful content for other reasons, we assume no responsibility for this content. Rather than that, the respective author is responsible for the legal violation. Although we strive for a regular control of the content, we assume no responsibility for the content.

Upon notification of appropriate violations, we will remove this content immediately.

2. Liability for links / disclaimer

For direct or indirect references to other pages (so-called "hyperlinks") no liability is assumed. Rather than that, their operators are responsible for the content themselves.

3. Copyright

The content and works on these pages created by the site operators are subject to German and Swiss copyright law. Reproduction, processing, distribution and any kind of exploitation outside the limits of copyright is prohibited without the written consent of the respective author or creator and is punishable. The entire content of our Internet pages (text, images, graphics, forms, etc.) may not be copied and / or reproduced in whole or in part. As far as the contents on this side were not created by the operator, the copyrights of third parties are considered. In particular contents of third parties are marked as such. Nevertheless, if you should

become aware of a copyright infringement, we ask for an instant notification. Upon notification of violations, we will remove such content immediately.

4. Labels, logos and brands

Our logos and brands must not be associated with products and / or services that are not ours. Furthermore, it is forbidden to use our markings to confuse customers in any way and / or to discredit us.

5. Data protection

We refer to the detailed privacy policy of EEG Expert.

Third parties are not permitted to use our contact information published in the imprint or similar information (postal addresses, telephone and fax numbers, as well as e-mail addresses, contact form, etc.) to provide us with unsolicited information or information we did not ask to provide. Furthermore, it is forbidden to pass on our information for the purpose of address and / or data trading and / or to sell our information.

We expressly reserve the right to take legal action in the event of infringement of the perpetrator (s) in all of the above points.
